

Salt River

666 cfs

May 2009

Day One

**Hoodoo
to
Pete's
Pond**

Getting ready for launch

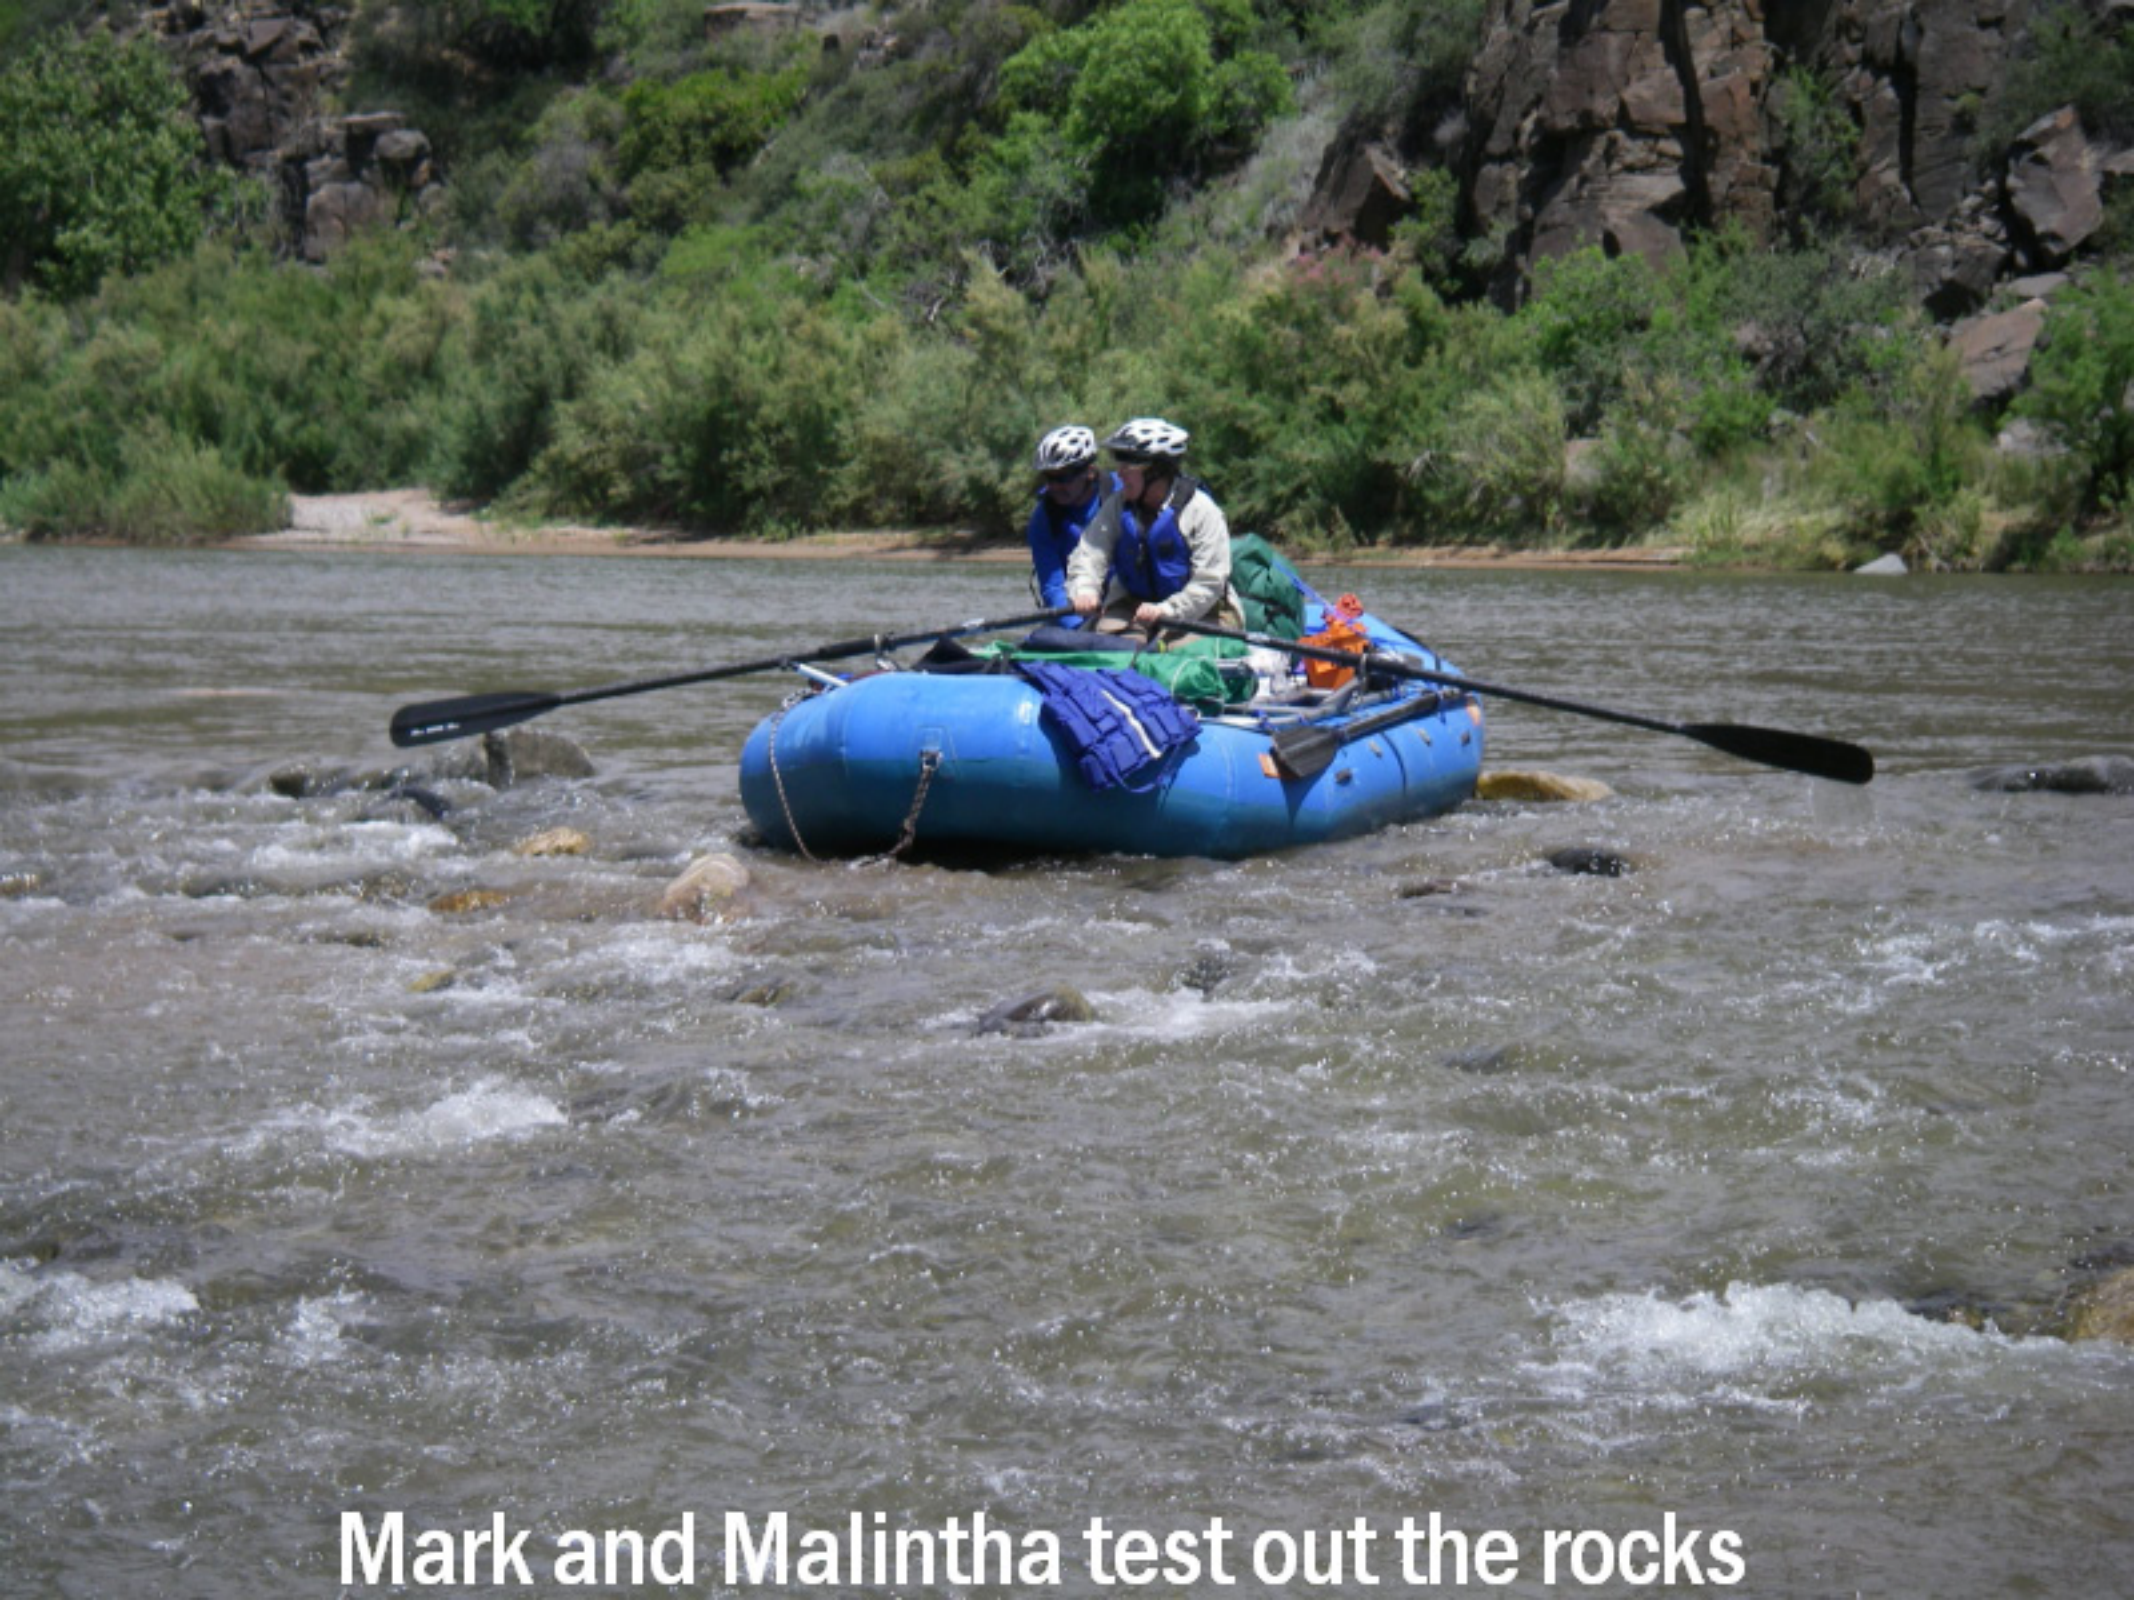

On the river at last

Roscoe threads through a boulder garden

Peter and Okie are next

Mark and Malintha test out the rocks

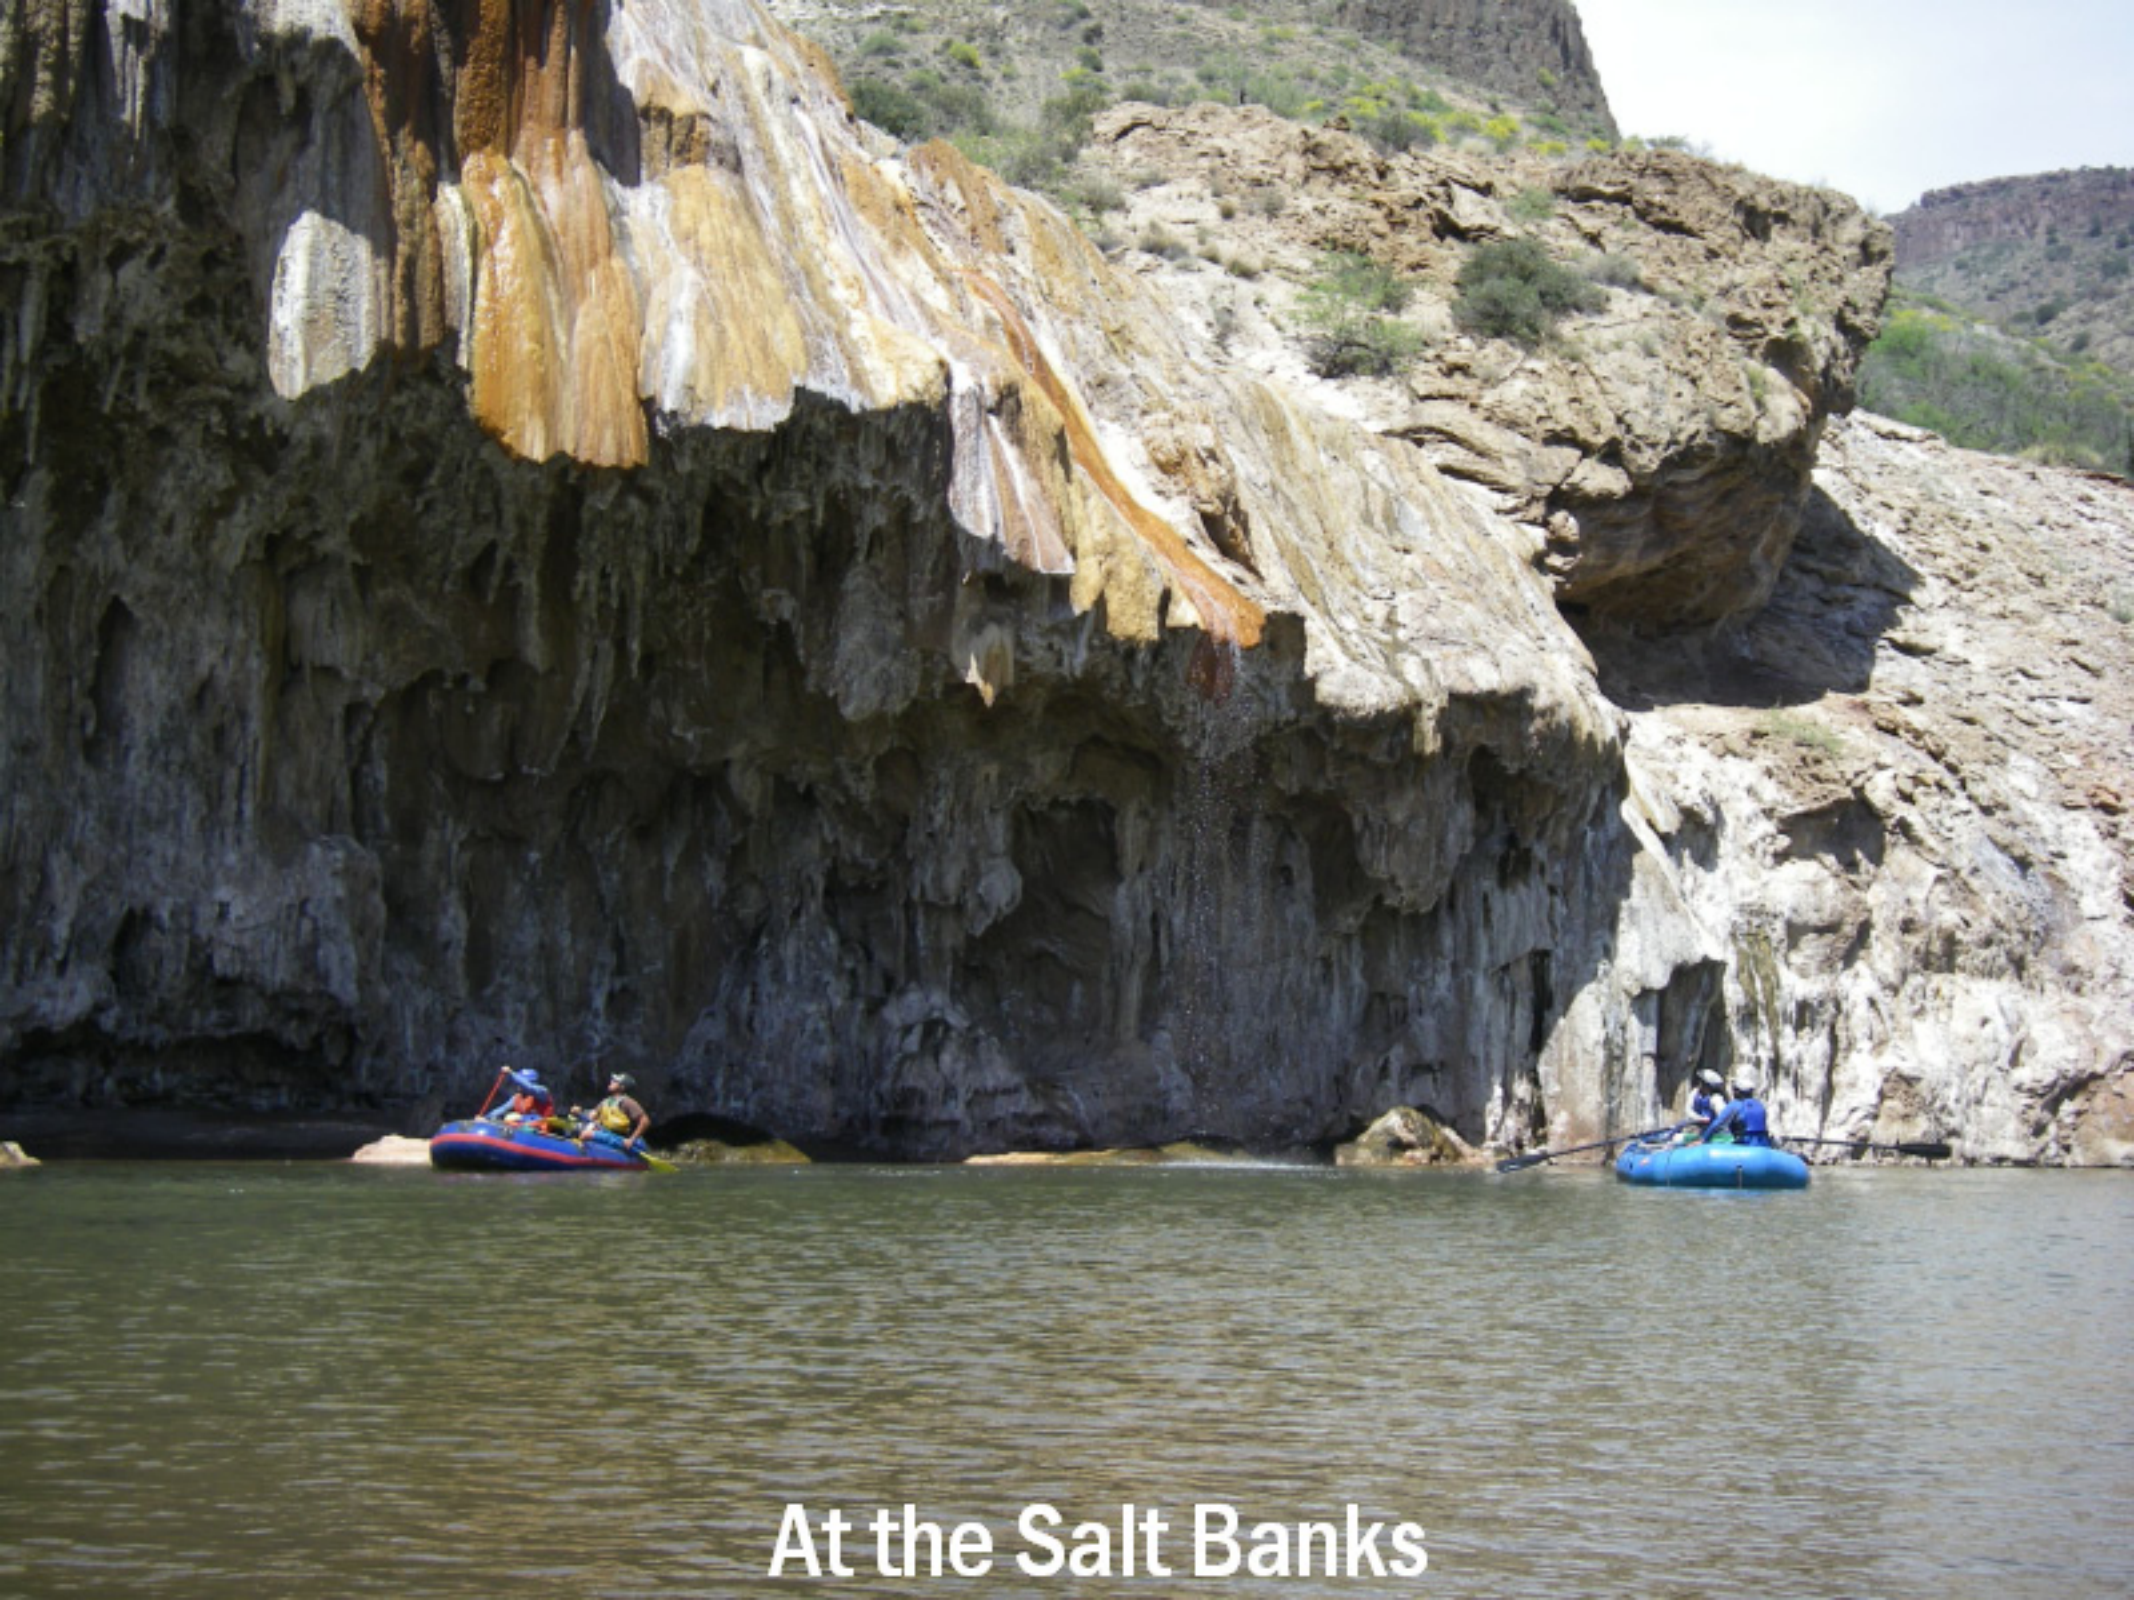

At the Salt Banks

Mark and his IK

How do they manage such boat control ?

In camp at Pete's Pond

Day Two

**Pete's Pond
to**

ahh,

Somewhere on the River

Eye of the Needle
Roscoe on approach

Okie and Peter are up next

Malintha and Mark begin their run

Does that oar look straight to you ?

Next up is Black Rock

At class 4, it is worth scouting

Are they going back up river for a second run of Black Rock?

Camp Somewhere

Day Three

**Somewhere to Cherry Creek
via**

Quartzite Falls and Corkscrew

The pre-falls

Roscoe drops through the right side of the falls

**Mark uses his Saturday Night Fever disco move
to run the pre-falls**

And then came Corkscrew

**Fortunately there are no pictures
of my run and
flying remount of my capsized boat**

Dawn at Cherry Creek

The view from the Indian ruins

Day Four

**Cherry Creek
to
Coon Creek**

Under the old shade tree at Coon Creek

Tired Paddler

Blue Monkey Butt

Day Five

**Coon Creek
to
the Take Out**

**The End
of
a
Great Trip**
